

Your Child's Immunization Record

It's important to keep up-to-date records of all your child's immunizations, beginning at birth and continuing through adolescence. Make entries into this chart each time your child receives a vaccination by filling in the date.

Record of Immunizations			
	Date Given:	Where Given:	Reaction:
Hepatitis B			
Rotavirus			
Diphtheria, Tetanus, Pertussis			
Tetanus, Diphtheria, Pertussis			
<i>H influenzae</i> type b			
Varicella (Chickenpox)			
Inactivated Polio			
Measles, Mumps, Rubella			
Hepatitis A			
Pneumococcal Conjugate			
Influenza (Flu)
