

INTRODUCING

Healthy Children e-magazine!

Backed by 60,000 American Academy of Pediatrics (AAP) member pediatricians, *Healthy Children* e-magazine is a new, FREE digital resource that's delivered right to your tablet or smartphone.

The premier issue of *Healthy Children* e-magazine focuses on important back-to-school topics that will help get you and your family geared up for the new school year.

To access the e-magazine, download the FREE **HealthyChildren app** on **iTunes** or **Google Play!** It's the home for this and future issues of the e-magazine as well as many other essential features such as hundreds of on-the-go articles, a "Find a Pediatrician" tool, and an "Ask the Pediatrician" advice column.

Download the FREE app and the e-magazine today and take the advice of 60,000 pediatricians with you wherever you go!
